Anthony Henley Esq;

A Man of your Character can no more Prevent a Dedication, than he wou'd Encourage one; for Merit, like a Virgin's Blushes, is still most discover'd, when it labours most to be conceal'd. 'Tis hard, that to think well of you, shou'd be but Justice, and to tell you so, shou'd be an Offence: Thus rather than violate your Modesty, I must be wanting to your other Virtues; and to gratifie One good Quality, do wrong to a Thousand. The World generally measures our Esteem by the Ardour of our Pretences; and will scarce believe that so much Zeal in the Heart, can be consistent with so much Faintness in the Expressions; but when They reflect on your Readiness to do Good, and your Industry to hide it; on your Passion to oblige, and your Pain

Dedication.

Pain to bear it own'd; They'll conclude, that Acknowledgments wou'd be Ungrateful to a Person, who even seems to receive the Obligations he conferrs.

But tho' I shou'd persuade my self to be silent upon all Occasions; those more Polite Arts, which, till of late, have Languish'd and Decay'd, wou'd appear under their present Advantages, and own you for one of their generous Restorers: In-somuch, that Sculpture now Breaths, Painting Speaks, Musick Ravishes; and as you help to refine Our Taste, you distinguish your Own. Your Approbation of this Poem, is the only Exception to the Opinion the World has of your Judgment, that ought to relish nothing so much, as what you write your self: But you are resolv'd to forget to be a Critick, by remembring you are a Friend. To say more, wou'd be uneasie to you, and to say less, wou'd be unjust in

Your Humble Servant.

PREFACE.

SINCE this following Poem in a manner stole into the World, I cou'd not be surpriz'd to find it uncorrect: Tho' I can no more say I was a Stranger to its coming abroad, than that I approv'd of the Publisher's Precipitation in doing it: For a Hurry in the Execution, generally produces a Leisure in Reflection; so when we run the fastest, we stumble the ofttest. However, the Errours of the Printer have not been greater than the Candour of the Reader: and if I cou'd but say the same of the Defects of the Author, he'd need no Justification against the Cavils of some Furious Criticks, who, I am sure, wou'd have been better pleas'd if they had met with more Faults.

Their

The Preface.

Their Grand Objection is, That the *Fury Disease* is an improper Machine to recite Characters, and recommend the Example of present Writers: But tho' I had the Authority of some *Greek* and *Latin* Poets, upon parallel Instances, to justify the Design; yet, that I might not introduce any thing that seem'd inconsistent or hard, I started this Objection my self, to a Gentleman very remarkable in this sort of Criticism, who wou'd by no means allow that the Contrivance was forc'd, or the Conduct incongruous.

Disease is represented a *Fury* as well as *Envy*: She is imagin'd to be forc'd by an Incantation from her Recess; and to be reveng'd of the Exorcist, mortifies him with an Introduction of several Persons eminent in an Accomplishment He has made some Advances in.

Nor is the Compliment less to any Great Genius mention'd there; since a very Fiend, who naturally repines at any Excellency, is forc'd to confess how happily They've all succeeded.

Their

The Preface.

Their next Objection is, That I have imitated the *Lutrin* of Monsieur Boileau. I must own I am proud of the Imputation ; unless their Quarrel be, That I have not done it enough : But he that will give himself the trouble of examining, will find I have copy'd him in nothing but in two or three Lines in the Complaint of *Moleffe*, *Canto* II. and in one in his *First Canto*; the Sense of which Line is entirely his, and I cou'd wish it were not the only good One in mine.

I have spoke to the most material Objections I have heard of, and shall tell these Gentlemen, That for ev'ry Fault they pretend to find in this *Poem*, I'll undertake to shew them two. One of these curious Persons does me the Honour to say, He approves of the Conclusion of it ; but I suppose 'tis upon no other Reason, but because 'tis the Conclusion. However, I shou'd not be much concern'd not to be thought Excellent

a

cellent in an Amusement I have very little practis'd hitherto, nor perhaps ever shall again.

Reputation of this sort is very hard to be got, and very easie to be lost; its Pursuit is painful, and its Possession unfruitful: Nor had I ever attempted any thing in this kind, till finding the Animosities amongst the Members of the *College of Physicians* encreasing daily (notwithstanding the frequent Exhortations of our Worthy President to the contrary) I was perswaded to attempt something of this nature, and to endeavour to Rally some of our disaffected Members into a sense of their Duty, who have hitherto most obstinately oppos'd all manner of Union; and have continu'd so unreasonably refractory, that 'twas thought fit by the College, to reinforce the Observance of the Statutes by a Bond, which some of them wou'd not comply with, tho' none of 'em had refus'd the Ceremony of the customary Oath; like
some

some that will trust their Wives with any body, but their Money with none. I was sorry to find there cou'd be any Constitution that was not to be cur'd without Poison, and that there shou'd be a Prospect of effecting it by a less grateful Method than Reason and Persuasion.

The Original of this Difference has been of some standing, tho' it did not break out to Fury and Excess till the time of Erecting the *Dispensary*, being an Apartment in the *College* set up for the Relief of the Sick Poor, and manag'd ever since with an Integrity and Disinterest suitable to so Charitable a Design.

If any Person wou'd be more fully inform'd about the Particulars of so Pious a Work, I refer him to a Treatise set forth by the Authority of the President and Censors, in the Year 97. 'Tis call'd *A short Account of the Proceedings of the College of Physicians, London, in relation*

The Preface.

to the Sick Poor. The Reader may there not only be inform'd of the Rise and Progress of this so Publick an Undertaking, but also of the Concurrence and Encouragement it met with from the most, as well as the most Ancient Members of the Society, notwithstanding the vigorous Opposition of a few Men, who thought it their Interest to defeat so laudable a Design.

The Intention of this Preface is not to persuade Mankind to enter into our Quarrels, but to vindicate the Author from being censur'd of taking any indecent Liberty with a Faculty he has the Honour to be a Member of. If the *Satyr* may appear directed at any particular Person, 'tis at such only as are presum'd to be engag'd in Dishonourable Confederacies for mean and mercenary Ends, against the Dignity of their own Profession. But if there be no such, then these Characters are but imaginary, and by consequence ought to give no body Offence.

The

The Preface.

The Description of the Battel is grounded upon a Feud that hapned in the *Dispensary*, betwixt a Member of the College with his Retinue, and some of the Servants that attended there, to dispence the Medicines; and is so far real: tho' the Poetical Relation be fictitious. I hope no body will think the Author Scurrilous thro' the whole, who being too liable to Faults himself, ought to be less severe upon the Miscarriages of others. If I am hard upon any one, 'tis my Reader: But some Worthy Gentlemen, as remarkable for their Humanity as their Extraordinary Parts, have taken care to make him amends for it, by prefixing something of their own. I confess those Ingenious Gentlemen have done me a great Honour; but while they design an imaginary Panegyrick upon me, They have made a real one upon Themselves; and by saying how much this small Performance exceeds some others, They convince the World how far it falls short of Theirs.

The Copy of an Instrument Subscribed
by the President, Censor, most of the
Elects, Senior Fellows, Candidates, &c.
of the College of Physicians, in re-
lation to the Sick Poor.

W Hereas the several Orders of the College of
Physicians, London, for prescribing Medi-
cins gratis to the Poor Sick of the Cities of London
and Westminster, and parts adjacent, as also the
Proposals made by the said College to the Lord Mayor,
Court of Aldermen and Common Council of London,
in pursuance thereof, have hitherto been ineffectual,
for that no method hath been taken to furnish the Poor
with Medicins for their Cure at low and reasonable
rates: We therefore whose Names are here under-
written, Fellows or Members of the said College, being
willing effectually to promote so great a Charity, by the
Counsel and good liking of the President and College
declared in their Comitia, hereby (to wit, each of us
severally and apart, and not the one for the other of
us) do oblige our selves to pay to Dr. Thomas Bur-
well, Fellow and Elect of the said College, the sum of
Ten Pounds a-piece of Lawful Money of England, by
such proportions, and at such times as to the major part
of the Subscribers hereto shall seem most convenient:
Which

Which Money when received by the said Dr. Thomas Burwel, is to be by him expended in preparing and delivering Medicins to the Poor at their intrinsic Value, in such Manner, and at such Times, and by such Orders and Directions, as by the major part of the Subscribers hereto, shall in Writing be hereafter appointed and directed for that purpose. In Witness whereof we have hereunto set our Hands and Seals this Twenty Second Day of December, 1696,

The Design of Printing the Subscriber's Names, is to shew, that the late Undertaking has the Sanction of a College A&t; and that 'tis not a Project carried on by Five or six Members, as those that oppose it, wou'd unjustly insinuate.

To

To Dr. G---th, upon the *Dispensary*.

OH that some Genius, whose Poetick Vein,
Like Mountague's, cou'd a just Piece sustain,
Would search the Græcian and the Latin Store,
And thence present thee with the purest Oar.
In lasting Numbers praise thy whole Design,
And Manly Beauty of each Nervous Line.
Show how your pointed Satyr's Sterling Wit
Do's only Knaves, or formal Blockheads hit;
Who're gravely Dull, insipidly Serene,
And carry all their Wisdom in their Mien.
Whom thus expos'd, thus strip'd of their Disguise,
None will again Admire, most will Despise.
Show in what Noble Verse Nassau you sing,
How such a Poet's worthy such a King.

When

*When Sommer's Charming Eloquence you Praise,
How loftily your Tuneful Voice you raise!
But my poor feeble Muse is as unfit
To Praise, as Imitate what you have writ.
Artists alone should venture to Commend
What D—^{is} can't Condemn, nor D^{id}—^{en} Mend:
What must, writ with that Fire and with that Ease,
The Beaux, the Ladies, and the Criticks please.*

To

To my Friend the Author, desiring my
Opinion of his Poem.

ASK me not, Friend, what I Approve or Blame,
Perhaps I know not why I Like, or Damn;
I can be Pleas'd; and I dare own I am.

I read Thee over with a Lover's Eye,
Thou hast no Faults, or I no Faults can spy;
Thou art all Beauty, or all Blindness I.

Criticks, and aged Beaux of Fancy chaste,
Who ne'er had Fire, or else whose Fire is past,
Must judge by Rules what they want Force to Taste.

I wou'd a Poet, like a Mistrefs, try,
Not by her Hair, her Hand, her Nose, her Eye;
But by some Nameless Pow'r, to give me Joy.

The Nymph has Grafton's, Cecil's, Churchill's
[Charms,

If with resistless Fires my Soul she warms

With Balm upon her Lips, and Raptures in her Arms.]

Such

Such is thy Genius, and such Art is thine,
Some secret Magick works in ev'ry Line;
We judge not, but we feel the Pow'r Divine.
Where all is Just, is Beauteous, and is Fair,
Distinctions vanish of peculiar Air.
Lost in our Pleasure, we Enjoy in you
Lucretius, Horace, Sheffeld, Mountague.
And yet 'tis thought, some Criticks in this Town,
By Rules to all, but to themselves, unknown
Will Damn thy Verse, and Justify their own.
Why, let them Damn: Were it not wondrous hard
Facetious M---- and the City-B---- [Blackman]
So near ally'd in Learning, Wit, and Skill,
Shou'd not have leave to Judge, as well as Kill?
Nay, let them write; Let them their Forces join,
And hope the Motly Piece may Rival thine.
Safely despise their Malice, and their Toil,
Which Vulgar Ears alone will reach, and will defile.

Be it thy Gen'rous Pride to please the Best,
Whose Judgment, and whose Friendship is a Test.
With Learned Hannes thy healing Cares be join'd,
Search thoughtful Ratcliffe to his inmost Mind:
Unite, restore your Arts, and save Mankind.
Whilst all the busie M-----ls of the Town
Envy our Health, and pine away their own.
When e'er thou wou'dst a Tempting Muse engage,
Judicious Walsh can best direct her Rage.
To Sommers, and to Dorset too submit,
And let their Stamp Immortalize thy Wit.
Consenting Phœbus bows, if they Approve,
And Ranks thee with the foremost Bards above:
Whilst these of Right the Deathless Laurel send,
Be it my Humble Bus'ness to Commend
The faithful, honest Man, and the well-natur'd Friend.

Chr. Codrington.

To my Friend Dr. G----th, the Author
of the Dispensary.

TO Praise your Healing Art would be in vain,
The Health you give, prevents the Poet's Pen.
Sufficiently confirm'd is your Renown,
And I but fill the Chorus of the Town.
That let me wave, and only now Admire,
The dazling Rays of your Poetick Fire:
Which its diffusive Virtue does dispense,
In flowing Verse, and elevated Sense.

The Town, which long has swallow'd foolish Verse,
Which Poetasters ev'ry where rehearse;
Will mend their Judgment now, refine their Taste,
And gather up th' Applause they threw in Waste.
The Playhouse shan't Encourage false, sublime,
Abortive Thoughts, with Decoration-Rhime.

The Satyr of Vile Scribblers shall appear
On none, except upon themselves severe:
While yours Contemns the Gall of Vulgar Spight;
And when you seem to Smile the most, you Bite.

Tho. Check.

To my Friend, upon the *Dispensary*.

A *S when the People of the Northern Zone
Find the Approach of the Revolving Sun,
Pleas'd and reviv'd, They see the new-born Light,
And dread no more Eternity of Night :*

*Thus We, who lately as of Summers Heat
Have felt a Dearth of Poetry and Wit ;
Once fear'd, Apollo would return no more
From warmer Climes, to an ungrateful Shore.
But You, the Fav'rite of the Tuneful Nine,
Have made the God in his full Lustre shine ;
Our Night have chang'd into a Glorious Day,
And reach'd Perfection in your first Essay :
So the young Eagle that his Force would try,
Faces the Sun, and tow'rs it to the Skie.*

Others

*Others proceed to Art by slow degrees,
'Awkward at first, at length they faintly Please ;
'And still whate'er their first Efforts produce,
'Tis an Abortive, or an Infant Muse :
Whilst yours, like Pallas, from the Head of Jove
Steps out full grown, with Noblest Pace to move.
What ancient Poets to their Subject owe,
Is here inverted, and this owes to you :
You found it Little, but have made it Great ;
They could Describe, but you alone Create.*

*Now let your Muse rise with Expanded Wings,
To Sing the Fate of Empires, and of Kings ;
Great WILLIAM's Victories she'll next rehearse,
'And raise a Trophy of Immortal Verse :
Thus to your Art proportion the Design,
'And Mighty Things with Mighty Numbers join,
'A Second Namur, or a future Boyne.*

C A N T O I.

SPeak, Goddess ! since 'tis Thou that best ^[canst tell]
How ancient Leagues to modern Discord fell ;
Whence 'twas, Physicians were so frugal grown
Of others Lives, and lavish of their own ;
How by a Journey to th'*Elysian* Plain
Peace triumph'd, and old Time return'd again.

Not far from that most celebrated Place,
Where angry Justice shews her awful Face ;

Where little Villains must submit to Fate,
That great Ones may enjoy the World in state;
There stands a Dome, Majestick to the Sight,
And sumptuous Arches bear its oval Height;
A golden Globe plac'd high with artful Skill,
Seems, to the distant Sight, a gilded Pill:
This Pile was, by the Pious Patron's Aim,
Rais'd for a Use as Noble as its Frame;
Nor did the Learn'd Society decline
The Propagation of that great Design;
In all her Mazes, Nature's Face they view'd,
And as she disappear'd, they still pursu'd.
They find her dubious now, and then as plain;
Here, she's too sparing; there, profusely vain.
Now she unfolds the faint, and dawning Strife
Of infant Atoms kindling into Life:
How ductile Matter new Meanders takes,
And slender Trains of twisting Fibres makes.

-And

And how the Viscous seeks a closer Tone,
By just degrees to harden into Bone;
While the more Loose flow from the vital Urn,
And in full Tides of Purple Streams return;
How, from each Sluice, a briny Torrent pours,
T'extinguish feav'rish Heats with ambient Show'rs;
Whence their Mechanick Pow'rs the Spirits claim,
How great their Force, how delicate their Frame:
How the same Nerves are fashion'd to sustain
The greatest Pleasure, and the greatest Pain.
Why bileous Juice a Golden Light puts on,
And Floods of Chyle in Silver Currents run.
How the dim Speck of Entity began
T'extend its recent Form, and stretch to Man.
To how minute an Origin we owe
Young *Ammon*, *Cesar*, and the Great *Nassau*.
Why paler Looks impetuous Rage proclaim,
And why chill Virgins redden into Flame.

Why Envy oft transforms with wan Disguise,
And why gay Mirth fits smiling in the Eyes.

All Ice why *Lucrece*, or *Sempronia*, fire,

Why *S^{cardale}* rages to survive Desire.

Whence *Milo's* Vigour at th'Olympick's shown,

Whence Tropes to *F^{ine}*, or Impudence to *S^{low}*

Lord
Chancellor Why *Atticus* polite, *Brutus* severe, *P^{er} chry*
Justice

Why *M^{ethu}* muddy, *M^{outa}*gue why clear?

Hence 'tis we wait the wondrous Cause to find,

How Body acts upon impassive Mind.

How Fumes of Wine the thinking part can fire,

Past Hopes revive, and present Joys inspire :

Why our Complexions oft our Soul declare,

And how the Passions in the Features are.

How Touch and Harmony arise between

Corporeal Substances, and Things unseen.

With mighty Truths, mysterious to descry,

Which in the Womb of distant Causes lie.

But

But now those great Enquiries are no more,
And Faction skulks, where Learning shone before:
The drooping Sciences neglected pine,
And *Pæan*'s Beams with fading Lustre shine.
No Readers here with Hectick looks are found,
Or Eyes in Rheum, thro' midnight-watching
The lonely Edifice in Sweats complains, [drown'd:
That nothing there but empty Silence reigns.

This Place so fit for undisturb'd Repose,
The God of Sloth for his *Asylum* chose.
Upon a Couch of Down in these Abodes
The careless Deity supinely nods.
His leaden Limbs at gentle ease are laid,
When *Poppies* and dull *Nightshade* o'er him spread;
No Passions interrupt his easie Reign,
No Problems puzzle his lethargick Brain.
B 3 But

But dull Oblivion guards his peaceful Bed,
And lazy Fogs bedew his thoughtless Head.

As at full length the pamper'd Monarch lay,
Batt'ning in Ease, and slumb'ring Life away :
A spiteful Noise his downy Chains unties,
Hastes forward, and encreases as it flies.

[Engage,
First, some to cleave the stubborn Flint The building
of the Dispensary.
Till urg'd by Blows, it sparkles into Rage.

Some temper Lute, some spacious Vessels move ;
These Furnaces erect, and Those approve.

Here Physals in nice Discipline are set,

There Gally-pots are rang'd in Alphabet.

In this place, Magazines of Pills you spy ;

In that, like Forrage, Herbs in Bundles lye.

While lifted Pestles, brandish'd in the Air,

Descend in Peals, and Civil Wars declare.

Loud

Loud Stroaks, with pounding Spice, the Fabrick
[rend,
And Aromatick Clouds in Spires ascend.

So when the *Cyclops*, o'er their Anvils sweat,
And their swol'n Sinews ecchoing Blows repeat,
From the *Vulcano's* gross Eruptions rise,
And curling Sheets of Smoke obscure the Skies.

The slumb'ring God amaz'd at this new Din,
Thrice strove to rise, and thrice sunk down agen.
Then, half erect, he rubb'd his op'ning Eyes,
And falter'd thus betwixt half Words and Sighs.

How impotent a Deity am I!
With Godhead blest'd, but curs'd, that cannot die!
Thro' my Indulgence, Mortals hourly share
A grateful Negligence, and Ease from Care.

Lull'd in my Arms, how long have I with-held
The *Northern* Monarchs from the dusty Field.

How have I kept the *British* Fleet at ease,
From tempting the rough Dangers of the Seas.

Hibernia owns the mildness of my Reign,

And my Divinity's ador'd in *Spain*.

I Swains to *Sylvan* Solitudes convey,

Where stretch'd on Mossy Beds, they waste a-
In gentle inactivity, the day. [way, }

What marks of wondrous Clemency I've shown,
Some Rev'rend Worthies of the Gown can own.

Triumphant Plenty, with a chearful Grace,

Basks in their Eyes, and sparkles in their Face.

How sleek their Looks, how goodly is their Mien,

When big they strut behind a double Chin,

Each Faculty in Blandishments they lull,

Aspiring to be venerably dull.

No learn'd Debates molest their downy Trance,
 Or discompose their pompous Ignorance :
 But undisturb'd, they loiter Life away,
 So wither, Green, and blossom in Decay.
 Deep sunk in Down, they, by my gentle Care,
 Avoid th'Inclemencies of Morning Air, [Pray'r.
 And leave to tatter'd Crape the Drudgery of

Mankind my fond propitious Pow'r has try'd,
 Too oft to own, too much to be deni'd.
 And, in return, I ask but some Recess,
 T'enjoy th'entrancing Extasies of Peace.
 But that, the Great *Nassau's* Heroick Arms
 Has long prevented with his loud Alarms.
 Still my Indulgence with contempt he flies,
 His Couch a Trench, his Canopy the Skies.
 Nor Skies, nor Seasons his Resolves controul,
 Th'*Æquator* has no Heat, no Ice the *Pole*.

From

From Clime to Clime his wondrous Triumphs ^{[move,}
And *Jove* grows jealous of his Realms above.

But as the slothful God to yawn begun,
He shook off the dull Mist, and thus went on.

Sometimes among the *Caspian* Cliffs I creep,
Where solitary Bats, and Swallows sleep.
Or if some Cloyster's Refuge I implore,
Where holy Drones o'er dying Tapers snore ;
Still *Nassau's* Arms a soft Repose deny,
Keep me awake, and follow where I fly.

Since he has bless'd the weary World with Peace,
And with a Nod has bid *Bellona* cease :
I sought the Covert of some peaceful Cell,
Where silent Shades in harmless Raptures dwell ;

That

That Rest might past Tranquility restore,
And Mortal never interrupt me more.

'Twas here, alas ! I thought I might Repose,
These Walls were that *Assylum* I had chose.

[found,
Nought underneath this Roof, but Damps are
Nought heard, but drowzy Beetles buzzing round.
Spread Cobwebs hide the Walls, and Dust the
[Floors,
And midnight Silence guards the noiseless Doors.

But now I find some enterprizing Brain
Invents new Fancies to renew my Pain,
And labours to dissolve my easie Reign.

With that, the God his darling *Phantom* calls,
And from his fault'ring Lips this Message falls.

Since Mortals will dispute my Pow'r, I'll try
Who has the greatest Empire, they or I.

Find

Find Envy out, some Prince's Court attend,
Most likely there you'll meet the famish'd Fiend.
Or in Cabals, or Camps, or at the Bar,
Or where ill Poets Pennylefs confer.
Or in the Senate-house at *Westminster*.
Tell the bleak Fury what new Projects reign,
Among the Homicides of *Warwick-Lane*.
And what th'Event, unless her Care enclines
To blast their Hopes, and baffle their Designs.

More he had spoke, but sudden Vapours rise,
And with their silken Cords tie down his Eyes.

C A N T O II.

Soon as with gentle Sighs the ev'ning Breeze
 Begun to whisper thro' the murm'ring Trees;
 And Night to wrap in Shades the Mountains [Heads,
 While Winds lay hush'd in Subterranean Beds;
 Officious *Phantom* did with speed prepare
 To slide on tender Pinions through the Air.
 He often sought the Summit of a Rock,
 And oft the hollow of some blasted Oak;
 At length approaching where bleak Envy lay,
 The hissing of her Snakes proclaim'd the way.

Be-

Beneath the gloomy Covert of an Ewe,
That taints the Grass with sickly Sweats of Dew;
No verdant Beauty entertains the Sight,
But baneful Hemlock, and cold Aconite;
There crawl'd the meager Monster on the Ground,
And breath'd a livid Pestilence around:
A bald and bloated Toad-stool rais'd her Head;
The Plumes of boding Ravens were her Bed.
Down her wan Cheeks sulphureous Torrents flow,
And her red haggard Eyes with Fury glow.
Like *Ætna* with Metallick Steams oppress'd,
She breaths a blue Eruption from her Breast:
Then rends with canker'd Teeth the ^{[Scrolls,} pregnant
Where Fame the Acts of Demi-Gods enrolls.
And as the rent Records in pieces fell,
Each Scrap did some immortal Action tell.

This shew'd, how fix'd as Fate *Torquatus* stood,
That, the fam'd Passage of the *Granick* Flood.
The *Julian* Eagles, here their Wings display;
And there, all pale, th'expiring *Decii* lay.
This does *Camillus* as a God extol.
That points at *Manlius* in the Capitol.
How *Cochles* did the *Tyber's* Surges brave,
How *Curtius* plung'd into the gaping Grave.
Great *Cyrus*, here, the *Medes* and *Persians* join,
And, there, the Glorious Battel of the *Boyn*.

As th'airy Messenger the Fury spy'd,
A while his curdling Blood forgot to glide.
Confusion on his fainting Vitals hung,
And fault'ring Accents flutter'd on his Tongue.
At length, assuming Courage, he essay'd
T'inform the Fiend, then shrunk into a Shade.

The Hag lay long revolving what might be
 The blest Event of such an Embassy.
 She blazons in dread Smiles her hideous Form,
 So Lightning glides the unrelenting Storm.
 Then she : alas ! how long in vain have I
 Aim'd at those noble Ills the Fates deny :
 Within this Isle for ever must I find
 Disasters to distract my restless Mind ?

 And, when so dignifi'd, he'd not forbear
 That Operation which the Learn'd declare
 Gives Cholicks ease, and makes the Ladies fair.
 In starch'd Urbanity his Talent lies,
 And Form the want of Intellects supplies.
 Hourly his Learn'd Impertinence affords
 A barren Superfluity of Words.
 In haste he strides along to recompence
 The want of Bus'ness with its vain Pretence.
 The Fury thus assuming Colon's Grace,
 So slung her Arms, so shuffl'd in her Pace.

Onward she hastens to the fam'd Abodes,
 Where *Horoscope* invokes th'infernal Gods; *In Tra. Bernard*
 And reach'd the Mansion where the Vulgar run
 T'increase their Ills, and throng to be undone.

This *Wight* all Mercenary Projects tries,
 And knows, that to be Rich is to be Wise.
 By useful Observations he can tell
 The Sacred Charms, that in true Sterling dwell.
 How Gold makes a *Patrician* of a Slave,
 A Dwarf an *Atlas*, a *Thersites* brave:
 It cancels all Defects, and in their Place
 Finds Sense in B^{rown Cow}—*m*, Charms in Lady F^{air}—*me*
 It guides the Fancy, and directs the Mind;
 No Bankrupt ever found a Fair One kind.

So truly *Horoscope* its Virtue knows,
 To this bright Idol 'tis, alone, he bows;

And fancies, that a Thousand Pound supplies
The want of Twenty thousand Qualities.

Long has he been of that amphibious Fry,
Bold to Prescribe, and busie to Apply.
His Shop the gazing Vulgar's Eyes employs
With foreign Trinkets, and domestick Toys.

Here, *Mummies* lay most reverendly stale,
And there, the *Tortois* hung her Coat o'Mail;
Not far from some huge *Shark's* devouring Head,
The flying Fish their finny Pinions spread.
Aloft in Rows large Poppy Heads were strung,
And near, a scaly Alligator hung.
In this place, Drugs in musty Heaps decay'd,
In that, dri'd Bladders, and drawn Teeth were laid.

An inner Room receives the numerous Shoals.
Of such as Pay to be reputed Fools.
Globes stand by Globes, Volumns on Volumns lie,
And Planetary Schemes amuse the Eye.
The Sage, in Velvet Chair, here lolls at Ease,
To promise future Health for present Fees.
Then, as from *Tripod*, solemn Shams reveals,
And what the Stars know nothing of, foretels.

One asks, how soon *Panthea* may be won,
And longs to feel the Marriage Fetters on.
Others, convinc'd by melancholy Proof,
Enquire when courteous Fates will strike 'em off.

[Wrong,
Some, by what means they may redress the
When Fathers the Possession keep too long.

And some wou'd know the Issue of their Cause,
And whether Gold can sodder up its Flaws.
Poor pregnant *Laïs* his Advice would have,
To lose by Art what fruitful Nature gave ;
And *Portia* old in Expectation grown,
Laments her barren Curse, and begs a Son.
Whilst *Iris*, his Cosmetick *Wash*, must try,
To make her Bloom revive, and Lovers dye.
Some ask for Charms, and others Philtres choose
To gain *Corinna*, and their Quartans loose.
Young *Hylas*, betch'd with Stains too foul to name
In Cradle here renews his Youthful Frame :
Cloy'd with Desire, and surfeited with Charms,
A Hot-house he prefers to *Julia's* Arms.
And old *Lucullus* wou'd th' *Arcanum* prove,
Of kindling in cold Veins the Sparks of Love;

Bleak *Envy* these dull Frauds with Pleasure sees,
And wonders at the senseless Mysteries.
In *Colon's* Voice she thus calls out aloud
On *Horoscope* environ'd by the Crowd.

Forbear, forbear, thy vain Amusements cease,
Thy *Wood-Cocks* from their *Gins* a while release;
And to that dire Misfortune listen well,
Which thou shou'dst fear to know, or I to tell.
'Tis true, Thou ever wast esteem'd by me
The Great *Alcides* of our Company.
When we with Noble Scorn resolv'd to ease
Our selves of all Parochial Offices;
And to our Wealthier Patients left the Care,
And draggl'd Dignity of Scavenger :
Such Zeal in that Affair thou didst express,
Nought cou'd be equal, but the great Success.

Now call to mind thy Gen'rous Prowess past,
Be what thou shou'dst, by thinking what thou
The Faculty of *Warwick-Lane* Design, [waist,
If not to Storm, at least to Undermine :
Their Gates each day Ten thousand Night-caps
And Mortars utter their Attempts aloud. [crowd,
If they shou'd once unmask our Mystery,
Each Nurse, e're long, wou'd be as Learn'd as We;
Our Art expos'd to ev'ry Vulgar Eye,
And none, in Complaisance to us, would dye.
What if We claim their Right t'Assassinate,
Must they needs turn *Apothecaries* straight ?
Prevent it, Gods! all Stratagems we try,
To crowd with new Inhabitants your Sky,
'Tis we who wait the Destinies Command,
To purge the troubl'd Air, and weed the Land,
And dare the *College of Physicians* aim
To equal our Fraternity in Fame?

Crabs Eyes as well with *Pearl* for Use may try,
Or *Highgate-Hill* with lofty *Pindus* vie:
So *Glow-worms* may compare with *Titan's* Beams,
Or *Hare-Court* Pump with *Aganippe's* Streams.

Our Manufacture now they meanly sell,
And spightfully th'intrinsick Value tell: [soon,
Nay more, (but Heav'ns prevent) they'l force us
To act with Conscience, and to be Undone.

At this fam'd *Horoscope* turn'd pale, and straight
In Silence tumbl'd from his Chair of State.
The Crowd in great Confusion sought the Door,
And left the *Magus* fainting on the Floor.
Whilst in his Breast the Fury breath'd a Storm,
Then sought her Cell, and reassum'd her Form.
Thus from the Sore altho' the Insect flies,
It leaves a Brood of Maggots in Disguise.

Officious Squirt in haste forsook the Shop,
 To succour the expiring *Horoscope*.
 Oft he essay'd the *Magus* to restore,
 By Salt of *Succinum*'s prevailing Pow'r ;
 But still supine the solid Lumber lay,
 An Image of scarce animated Clay ;
 Till Fates, indulgent when Disasters call,
 Bethought th'Assistant of a Urinal ;
 Whose Steam the Wight no sooner did receive,
 But rous'd, and blest'd the Stale Restorative.
 The Springs of Life their former Vigour feel,
 Such Zeal he had for that vile Utensil.

So when the Great *Pelides*, *Thetis* found,
 He knew the Fishy Smell, and th'Azure Goddess
 [own'd.

Dispensary.

C A N T O III.

ALL Night the Sage in Pensive Tumults lay,
 Complaining of the slow approach of Day,
 Oft turn'd him round, and strove to think no
 Of what shrill *Colon* spoke the Day before. [more,
Cowslips and *Poppies* o'er his Eyes he spread,
 And S — d's Works he laid beneath his Head, *Salmoney*
 But all those Opiats still in vain he tries,
 Sleep's gentle Image his Embraces flies.
 Tumultuous Cares lay rousing in his Breast,
 And thus his anxious Thoughts the Sage ex- [press'd.
Oft

— Oft has this Planet rould around the Sun,
Since to consult the Skies, I first begun :
Such my Applause, so mighty my Success,
I once thought my Predictions more than Guess.
But, doubtful as I am, I'll entertain
This Faith, there can be no Mistake in Gain.
For the dull World most Honour pay to those
Who on their Understanding most impose.
First Man creates, and then he fears the Elf,
Thus others cheat him not, but he himself :
He loaths the Substance, and he loves the Show,
Tis hard e're to convince a Fool, He's so :
He hates Realities, and hugs the Cheat,
And still the Pleasure lies in the Deceit,
So Meteors flatter with a dazling Dye
Which no Existence has, but in the Eye,

At distance Prospects please us, but when near,
We find but desert Rocks, and fleeting Air.
From Stratagem, to Stratagem we run,
And he knows most, who latest is undone.

Mankind one day serene and free appear ;
The next, they're cloudy, fullen, and severe :
New Passions, new Opinions still excite,
And what they like at Noon, despise at Night :
They gain with Labour, what they quit with Ease,
And Health, for want of Change, grows a Disease.
Religion's bright Authority they dare,
And yet are Slaves to Superstitious Fear.
They Counsel others, but themselves deceive,
And tho' they're Cozen'd still, they still believe.

Shall I then, who with penetrating Sight
Inspect the Springs that guide each Appetite :

Who

Who with unfathom'd Searches hourly pierce
 The dark Recesses of the Universe,
 Be Passive, whilst the Faculty pretend
 Our Charter with unhallow'd Hands to retid ?
 If all the Fiends that in low Darkness reign,
 Be not the Fictions of a sickly Brain;
 That Project, the * *Dispensary* they call,
Medicines made up there, for the use of the Poor
 Before the Moon can blunt her Horns, shall fall.

With that, a Glance from mild *Aurora's* Eyes,
 Shoots thro' the Crystal Kingdoms of the Skies ;
 The Savage Kind in Forests cease to roam,
 And Sots o'ercharg'd with nauseous Loads reel ^{[home,}
 Light's chearful Smiles o'er th' Azure Waste are ^{[spread,}
 And Mifs from Inns o' Court bolts out un paid.
 The Sage transported at th' approaching Hour,
 Imperiously thrice thunder'd on the Floor ;

Officious *Squirt* that moment had access,
His Trust was great, his Vigilance no less.
To him thus *Horoscope*.

My kind Companion in this dire Affair,
Which is more Light, since you assume a Share;
Fly with what hast you us'd to do of old,
When *Clyster* was in danger to be cold:
With Expedition on the Beadle call,
To summon all the Company to th'*Hall*.

Away the trusty Coadjutor hies,
Swift as from Phyal Steam of *Harts-horn* flies.
The *Magus* in the int'rim mumbles o'er
Vile Terms of Art to some Infernal Pow'r,
And draws Mysterious Circles on the Floor. }
But from the gloomy Vault no glaring Spright,
Ascends to blast the tender Bloom of Light.

No mystick Sounds from *Hell's* detested Womb,
In dusky Exhalations upwards come.
And now to raise an Altar He decrees,
To that devouring Harpy call'd *Disease*;
Then Flow'rs in Canisters he hastes to bring,
The wither'd Product of a blighted Spring,
With cold *Solanum* from the *Pontick* Shore,
The Roots of *Mandrake* and Black *Ellebore*.
And on the Structure next he heaps a Load
Of *Sassafras* in Chips, and *Mastick* Wood.
Then from the Compter he takes down the File,
And with Prescriptions lights the solemn Pile.

Feebly the Flames on clumisie Wings aspire,
And smoth'ring Fogs of Smoke benight the Fire:
With Sorrow he beheld the sad Portent,
Then to the Hag these *Orizons* he sent.

Disease ! thou ever most propitious Pow'r,
Whose soft Indulgence we perceive each Hour ;
Thou that wou'dst lay whole *States* and *Regions*
Sooner than we thy *Cormorants* shou'd fast; [waste,
If, in return, all Diligence we pay
T'extend your Empire, and confirm your Sway,
Far as the weekly Bills can reach around,
From *Kent-street* end to fam'd *St. Giles's-Pound*,
Behold this poor Libation with a Smile,
And let auspicious Light break through the Pile.

He spoke ; and on the Pyramid he laid
Bay-Leaves and Viper's Hearts, and thus he said,
As These consume in this mysterious Fire,
So let the curs'd *Dispensary* expire ;
And as Those crackle in the Flames, and die,
So let its Vessels burst, and Glasses fly.

But a sinister Cricket straight was heard,
 The Altar fell, the Off'ring disappear'd.
 As the fam'd Wight the Omen did regret,
Squirt brought the News the Company was met.

Nigh where *Fleet-Ditch* descends in sable Streams,
 To wash his footy *Naiads* in the *Thames* ;
 There stands a * Structure on a rising Hill, * Apothecaries Hall:
 | Where *Tyro's* take their Freedom out to kill.
 Some Pictures in these dreadful Shambles tell,
 How, by the *Delian* God, the *Pithon* fell ;
 And how *Medea* did the *Philter* brew,
 That cou'd in *Æson's* Veins young force renew ;
 How sanguine Swains their Amorous Hours re-
 When Pleasure's past, and Pains are permanent, [pent,
 And how frail Nymphs, oft by Abortion, aim
 To lose a Substance, to preserve a Name.

Soon as each Member in his Rank was plac'd,

Th' Assembly *Diasenna* thus address'd : *Belshazzar as a poet.*

My kind Confed'rates, if my poor Intent,
 As 'tis sincere, had been but prevalent,
 We here had met on some serene Design,
 And on no other Bus'ness but to Dine ;
 The Faculty had still maintain'd their Sway,
 And Interest had taught us to obey ;
 Then we'd this only Emulation known,
 Who best cou'd fill his Purse, and thin the Town.
 But now from gath'ring Clouds Destruction pours,
 Which threatens with mad rage our *Halcyon* hours ;
 Mists from black Jealousies the Tempest form,
 Whilst late Divisions reinforce the Storm.
 Know, when these Feuds, like those at Law, are past,
 The Winners will be Losers at the last.

Like Heroes in Sea-Fights we seek Renown,
To Fire some hostile Ship, we burn our own.
That Jugler which another's Slight will show,
But teaches how the World his own may know.
Thrice happy were those golden Days of old,
When dear as *Burgundy*, *Ptisans* were sold ;
When Patients chose to die with better will,
Than live to pay th' *Apothecary's* Bill.
And cheaper than for our Assistance call,
Might go to *Aix* or *Bourbon* Spring and Fall.
But now late Jars our Practices detect,
For Mines, when once discover'd, lose th' Effect.
Diffentions, like small Streams, are first begun,
Scarce seen they rise, but gather as they run :
So Lines that from their Parallel decline,
More they advance, the more they still dis-join.
'Tis therefore my Advice, in haste we send,
And beg the Faculty to be our Friend.

As he revolving stood to speak the rest,
 Rough *Colocynthis* thus his Rage exprest :

*Does it en
 a pech.*

Thou Scandal of the mighty *Pæans* Art,
 At thy approach, the Springs of Nature start,
 The Nerves unbrace : Nay, at the sight of thee,
 A Scratch turns Cancer, th' Itch a Leprosie.
 Could'st thou propose that we the *Friends* o' Fates,
 Who fill *Church-yards*, and who unpeople States,
 Who baffle Nature, and dispose of Lives,
 Whilst *Russel*, as we please, or starves, or thrives;
 Shou'd e'er submit to their imperious Will,
 Who out o' Consultation scarce can kill ?
 The tow'ring *Alps* shall sooner sink to Vales,
 And *Leaches*, in our Glasses, swell to *Whales* ;
 Or *Norwich* trade in Implements of Steel,
 And *Bromingham* in Stuffs and Druggets deal :

The Sick to th' Hundreds sooner shall repair,
And change the *Gravel-Pits* for *Essex* Air.

No, no, the Faculty shall soon confess
Our Force encreases, as our Funds grow less ;
And what requir'd such Industry to raise,
We'll scatter into nothing as we please.
Thus they'l acknowledge, to Annihilate
Shews as immense a Pow'r as to Create.
We'll raise our num'rous Cohorts, and oppose
The feeble Forces of our Pigmy Foes ;
Whole Troops of Quacks shall join us on the ^{[Place,}
From Great *Kirlens* down to *Doctor Case*.
Tho' such vile Rubbish sink, yet we shall rise ;
Directors still secure the greatest Prize,
Such Poor Supports serve only like a Stay ;
The Tree once fix'd, its Rest is torn away.

So Patriots in the time of Peace and Ease,
 Forget the Fury of the late Disease :
 Imaginary Dangers they create,
 And loath th' *Elixir* which preserv'd the State.

Arm therefore, gallant Friends, 'tis Honour's
 [Call,
 Or let us boldly Fight, or bravely Fall.

To this the *Session* seem'd to give consent,
 Much lik'd the War, but dreaded much th' Event.

At length, the growing Diff'rence to compose,

Two Brothers, nam'd *Ascarides*, arose.

Both had the Volubility of Tongue,

In Meaning faint, but in Opinion strong.

To speak they both assum'd a like Pretence,

But th' Elder gain'd his just Pre-eminence ;

*Point & Dons
 apothecary*

Then he : 'Tis true, when Privilege and Right
Are once invaded, Honour bids us Fight.
But let us, to the Field before we move,
Know, if the Gods our Enterprize approve.
Suppose th'unthinking Faculty unvail
What we, thro' wiser Conduct, wou'd conceal;
Is't Reason we shou'd quarrel with the Glafs
That shews the monstrous Features of our Face?
Or grant some grave Pretenders have of late
Thought fit an Innovation to create;
Soon they'll repent, what rashly they begun,
Tho' Projects please, Projectors are undone.
All Novelties must this Success expect,
When good, our Envy; and when bad, Neglect:
If things of Use were valu'd, there had been
Some Work-house where the *Monument* is seen.

Or if the Voice of Reason cou'd be heard,
E're this, Triumphal Arches had appear'd.
Then since no Veneration is allow'd,
Or to the real, or th'appearing Good;
The Project that we vainly apprehend,
Must, as it blindly rose, as vilely end.
Some Members of the Faculty there are,
Who Int'rest prudently to Oaths prefer.
Our Friendship with a servile Air they court,
And their Clandestine Arts are our Support.
Them we'll consult about this Enterprize,
And boldly Execute what they Advise.
But from below (while such Resolves they took)
Some *Aurum Fulminans* the *Fabrick shook.
The Champions, daunted at the Crack, retreat,
Regard their Safety, and their Rage forget.

* The Room th' Apothecaries meet in, is over the Laboratory.

So when at *Bathos* all the *Gyants* strove
T'invade the Skies, and wage a War with *Jove*;
Soon as the *Ags* of old *Silenus* bray'd,
The trembling Rebels in confusion fled.

THE

Dispensary.

C A N T O IV.

NOT far from that most famous Theater,
 Where wandering Punks each Night at five
 [repair;
 Where Purple Emperors in Buskins tread,
 And Rule imaginary Worlds for Bread;
 Where *Bently*, by Old Writers, wealthy grew,
 And *Briscoe* lately was undone by New:
 There triumphs a *Physician* of Renown,
 To scarce a Mortal, but himself, unknown.
 None e'er was plac'd more luckily than He,
 For th' Exercise of such a Mystery.

When

Burgess

When ^{Go}*Bur--fs* deafens all the listning preſs
With Peals of moſt Seraphick Emptineſs ;

Froome

Or when Myſterious ^{Evil}*F---n* mounts on high,
To preach his Pariſh to a Lethargy :

This *Æſculapius* waits hard by, to eaſe

The *Martyrs* of ſuch Chriſtian Cruelties.

Long has this happy Quarter of the Town,
For Lewdneſs, Wit, and Gallantry been known.
All Sorts meet here, of whatſoe'er Degree,
To blend and juſtle into Harmony.

The Politicians, of *Parnaffus* prate ;

And Poets canvafs the Affairs of State ;

The Cits ne'er talk of Trade and Stock, but tell
How *Virgil* writ, how bravely *Turnus* fell.

The Country-Dames drive to *Hippolito's*,

Fiſt find a Spark, and after loſe a Noſe.

The Lawyer for Lac'd Coat the Robe does quit,
 He grows a Mad-man, and then turns a Wit.
 And in the Cloister pensive *Strephon* waits,
 Till *Chloe's* Hackney comes, and then retreats;
 And if th'ungenerous Nymph a Shaft lets fly
 More fatally than from a sparkling Eye,
Mirmillo, that fam'd *Opifer*, is nigh.
 Th' *Apothecaries* thither throng to Dine,
 And want of Elbow-room's supply'd in Wine.
 Cloy'd with Variety, they surfeit there,
 Whilst the wan Patients on thin Gruel fare.
 'Twas here the Champions of the Party met,
 Of their Heroick Enterprize to treat.
 Each Hero a tremendous Air put on,
 And stern *Mirmillo* in these Words begun:

'Tis with concern, my Friends, I meet you here;
 No Grievance you can know, but I must share.

'Tis

'Tis plain, my Int'rest you've advanc'd so long,
 Each Fee, tho' I was mute, wou'd find a Tongue.
 And in return, tho' I have strove to rend
 Those Statutes, which on Oath I should defend;
 Yet that's a Trifle to a generous Mind,
 Great Services, as great Returns should find.
 And you'll perceive, this Hand, when Glory calls,
 Can brandish Arms as well as Urinals.

Oxford and all her passing Bells can tell,
 By this Right Arm, what mighty Numbers fell.
 Whilst others meanly ask'd whole Months to slay,
 I oft dispatch'd the Patient in a Day:
 With Pen in Hand I push'd to that degree,
 I scarce had left a Wretch to give a Fee.
 Some fell by *Laudanum*, and some by *Steel*,
 And Death in ambush lay in ev'ry Pill.

For save or flay, this Privilege we claim,
Tho' Credit suffers, the Reward's the same.
What tho' the Art of Healing we pretend,
He that designs it least, is most a Friend.
Into the Right we err, and must confess,
To Oversights we often owe Success.
Thus *Bessus* got the Battel in the *Play*,
His glorious Cowardise restor'd the Day.
So the fam'd *Grecian* Piece ow'd its desert
To Chance, and not the labour'd Stroaks of Art.
Physicians, if they're wise, shou'd never think
Of any other Arms than Pen and Ink :
But th' Enemy, at their Expence, shall find,
When Honour calls, I'll scorn to stay behind.

He said; and seal'd th' Engagement with a Kiss,
Which was return'd by *Younger Askaris* ;

Who

Who thus advanc'd: Each Word, Sir, you impart,
Has something killing in it, like your Art.
How much we to your boundless Friendship owe,
Our Files can speak, and your Prescriptions show.
Your Ink descends in such excessive Show'rs,
'Tis plain, you can regard no Health but ours.
Whilst poor Pretenders trifle o'er a Case,
You but appear, and give the *Coup de Grace*.
O that near *Xanthus* Banks you had but dwelt,
When *Ilium* first *Achaian* Fury felt,
The Flood had curs'd young *Peletus's* Arm in vain,
For troubling his choak'd Streams with heaps of
No Trophies you had left for *Greeks* to raise, ^{[slain.}
Their ten Years Toil, you'd finish'd in ten Days.
Fate smiles on your Attempts, and when you list,
In vain the Cowards fly, or Brave resist.
Then let us Arm, we need not fear Success,
No Labours are too hard for *Hercules*.

Our military Ensigns we'll display;
Conquest pursues, where Courage leads the way.

To this Design fly *Querpo* did agree, *Dr. How*
An angry Member of the Faculty;
His Sire's pretended pious Steps he treads,
And where the Doctor fails, the Saint succeeds.
A Conventicle flesh'd his greener Years,
And his full age th' envenom'd Rancour shares.
Thus Boys hatch Game-Eggs under Birds o' prey,
To make the Fowl more furious for the Fray.

Grave *Carus* next discover'd his intent, *Dr. Tyson*
With much ado explaining what he meant.
His Spirits stagnate like *Cocitus's* Flood,
And nought but Calentures can warm his Blood.

In his chill Veins the sluggish Puddle flows,
And loads with lazy Fogs his sable Brows.
When for Advice the Vulgar throng, he's found
With lumber of vile Books besieg'd around.
The gazing Fry acknowledge their Surprise,
Consulting less their Reason than their Eyes.
And He perceives it stands in greater stead,
To furnish well his Classes, than his Head.
Thus a weak State, by wise Distrust enclines
To num'rous Stores, and Strength in Magazines.
So Fools are always most profuse of Words,
And Cowards never fail of longest Swords.
Abandon'd Authors here a Refuge meet,
And from the World, to Dust and Worms retreat.
Here Dregs and Sediment of Auctions reign,
Refuse of Fairs, and Gleanings of *Duck-lax*;

And

And up these shelves, much *Gothick* Lumber climbs,

With *Swiss* Philosophy, and *Danish* Rhimes.

And hither, rescu'd from the *Grocers*, come

M--Works entire, and endless Rheams of *Bloom*. *Moors*

Where wou'd the long neglected C---s fly, *Codins*

If bounteous *Carus* should refuse to buy? *Dr Tyson*

But each vile Scribler's happy on this score,

He'll find some *Carus* still to read him o're.

Nor must we the obsequious *Umbra* spare,

Who, soft by Nature, yet declar'd for War.

But when some Rival Pow'r invades a Right,

Flies set on Flies, and Turtles Turtles fight.

Else courteous *Umbra* to the last had been *Dr Gold*

Demurely meek, insipidly serene.

With Him, the present still some Virtues have,
 The Vain are sprightly, and the Stupid, grave.
 The Slothful, negligent; the Foppish neat;
 The Lewd are airy, and the Sly discreet.
 A Wren's an Eagle, a Baboon a Beau;
 C^{olt} a *Lycurgus*, and a *Phocion*, R^{ow}.

Heroick Ardour now th' Assembly warms,
 Each Combatant breaths nothing but Alarms.
 For future glory, while the Scheme is laid,
 Fam'd *Horoscope* thus offers to dissuade;

Since of each Enterprize th' Event's unknown,
 We'll quit the Sword, and hearken to the Gown.
 Nigh lives *Vagellius*, one reputed long,
 For Strength of Lungs, and Pliancy of Tongue.
 Which way He pleases, he can mould a Cause,
 The Worst has Merits, and the Best has Flaws.

Five Guinea's make a Criminal to Day,
 And ten to Morrow wipe the Stain away.
 Whatever he affirms is undeny'd,
Milo's the Lecher, *Clodius* th' Homicide.
Cato Pernicious, *Cataline* a Saint,
 Or *Jord* suspected, *Duncomb* innocent.
 Let's then to Law, for 'tis by Fate decreed,
Vagellins, and our Mony, shall succeed.
 Know, when I first invok'd *Disease* by Charms
 T'assist, and be propitious to our Arms;
 Ill Omens did the Sacrifice attend,
 Nor wou'd the *Sybil* from her *Grott* ascend.

As *Horoscope* urg'd farther to be heard,
 He thus was interrupted by a *Bard*; *Sir Richd*
Blackmore

In vain your Magick Mysteries you use,
 Such sounds the *Sybil's* Sacred Ears abuse.

These Lines the pale Divinity shall raise,
Such is the Pow'r of Sound, and Force of Lays.

(chions clafh,

“ Thick Clouds of Duft contending Warriors raife,

“ High Rocks of Snow, and failing Hills of Ice,

Driven by the Winds, in rude rencounter dafh.

(diftain,
“ Blood, Brains, and Limbs did the high Walls
“ And all around lay squallid Heaps of Slain.

As he went rumbling on, the *Fury* straight
Crawl'd in, her Limbs cou'd scarce support her
[Weight.
A noysom Rag her penfive Temples bound,
And faintly her parch'd Lips these Accents sound.

Mortal, how dar'st thou with such Lines address
My awful Seat, and trouble my Recess?
In *Essex* Marshy Hundreds is a Cell,
Where lazy Fogs, and drizzling Vapours dwell:
Thither raw Damps on drooping Wings repair,
And shiv'ring Quartans shake the sickly Air.
There, when fatigu'd, some silent Hours I pass,
And substitute Physicians in my place.
Then dare not, for the future, once rehearse
The Dissonance of such unequal Verse.
But in your Lines let Energy be found,
And learn to rise in Sense, and sink in Sound.

Harsh words, tho' pertinent, uncouth appear,
None please the Fancy, who offend the Ear.

Alcibiades In Sense and Numbers if you wou'd excel,
Read *Wichour* y, consider *Dor*den well. *Dor*den

In th' other, *Sirens* warble in each Line.

Pan quits the Woods, the list'ning Fawns the }
[Plains ; }
And *Philomel*, in Notes like his, complains.

And

And *Britain*, since *Pausanias* was writ,
 Knows *Spartan* Virtue, and *Athenian* Wit.
 When ~~St~~St*eny* paints the Godlike Acts of Kings,
 Or, what *Apollo* dictates, *Pier* sings :
 The Banks of *Rhine* a pleas'd Attention show,
 And Silver *Sequana* forgets to flow.

Such just Examples carefully read o're,
 Slide without falling, without straining soar.
 Oft tho' your Stroaks surprize, you shou'd not
 A Theme so mighty for a Virgin Muse. [choofe,
 Long did *Appelles* his Fam'd Piece decline,
 His *Alexander* was his last Design.
 Tis *M^{ondo}gue*'s rich Vein alone must prove,
 None but a *Phidias* shou'd attempt a *Jove*.

The

The Fury said ; and vanishing from Sight,
Cry'd out to Arms ; so left the Realms of Light.
The Combatants to th' Enterprize consent,
And the next day smil'd on the great Event.

THE

Dispensary.

C A N T O V.

W

 Hen the still Night, with peaceful Poppies
 Had spread her shady Pinions o're the
 And slumbring Chiefs of painted Triumphs dream,
 While Groves and Streams are the soft Virgin's
 The Surges gently dash against the Shoar,
 Flocks quit the Plains, and Gally-Slaves the Oar.
 Sleep shakes its downy Wings o're mortal Eyes,
Mirmillo is the only Wretch, it Flies.
 He finds no respite from his anxious Grief,
 Then seeks, from this Soliloquy, relief.

Long

Long have I reign'd unrival'd in the Town,
 Glutt'd with Fees, and mighty in Renown.
 There's none can dye with due Solemnity,
 Unless his Pass-port first be sign'd by Me.
 My arbitrary Bounty's undeny'd,
 I give Reversions, and for Heirs provide.
 None cou'd the tedious Nuptial State support;
 But I, to make it easie, make it short.
 I set the discontented Matrons free,
 And Ransom Husbands from Captivity.
 Then shall so useful a *Machin* as I
 Engage in civil Broyls, I know not why?
 No, I'll endeavour straight a Peace, and so
 Preserve my Honour, and my Person too,

But *Discord*, that still haunts with hideous
 [Mien
Those dire Abodes where *Hymen* once has been,

O're-heard *Mirmillo* reas'ning in his Bed ;
 Then raging inwardly the *Fury* said ;

Have I so often banisht lazy Peace
 From her dark Solitude, and lov'd Recess ?
 Have I made S^{ouls} and S^{hrouds} disagree,
 And puzzle Truth with learn'd Obscurity ?
 And does my faithful F^{orson} profess
 His Ardour still for Animosities ?
 Have I, *Britannia's* Safety to insure,
 Expos'd her naked, to be more secure ?
 Have I made Parties opposite, unite,
 In monstrous Leagues of amicable Spight
 T' embroyl their Country, whilst the common
 Is *Freedom*, but their Aim, the *Ministry* ? [Cry,
 And shall a Dastard's Cowardise prevent
 The War so long, I've labour'd to foment ?

No,

No, 'tis resolv'd, he either shall comply,
Or I'll renounce my wan Divinity.

With that, the *Hag* approach'd *Mirmillo's* Bed,
And taking *Querpo's* meager Shape, She said;

I come, altho' at Midnight, to dispel,
Those Tumults in your pensive Bosom dwell.
I dream't, but now, my Friend, that you were by;
Methought I saw your Tears, and heard you sigh.
O that 'twere but a Dream! But sure I find
Grief in your Looks, and Tempests in your Mind.
Speak, whence it is this late disorder flows,
That shakes your Soul, and troubles your Repose.
Erroneous Practice scarce cou'd give you pain,
Too well you know the Dead will ne're complain.

What

What Looks discover, said the Homicide,
 Wou'd be but too impertinent to hide.
 My Stars direct me to decline the Fight;
 The way to serve our Party, is to write.

How many, said the Fury, had not split
 On Shelves so fatal, if they ne're had writ!
 Had C---b printed nothing of his own, *Colbaleh*
 He had not been the S^{at}-fold o' the Town. *Suffold*
 Asses and Owls, unseen, themselves betray,
 If These attempt to Hoot, or Those to Bray.
 Had We^{the} never aim'd in Verse to please, *wostly*
 We had not rank'd him with our Ogilbys.
 Still Censures will on dull Pretenders fall,
 A Codrus shou'd expect a Juvenal.

Ill Lines, but like ill Paintings, are allow'd,
 To set off, and to recommend the good.
 So *Diamonds* take a Lustre from their Foyle;
 And to a *B^{ond}ly* 'tis, we owe a *B^oyle*.

Consider well the Talent you possess,
 To strive to make it more wou'd make it less;
 And recollect what Gratitude is due,
 To those whose Party you abandon now.
 To Them you owe your odd Magnificence,
 But to your Stars your Penury of Sense.
 Haspt in a Tombril, awkwardly you've shin'd
 With one fat Slave before, and none behind.
 But soon, what They've exalted They'l discard,
 And set up *Carus*, or the City *Bard*.

Alarm'd at this, the *Heroe* Courage took,
 And Storms of Terrour threaten'd in his Look.

My

My dread Resolves, he cry'd, I'll straight pursue;
The *Fury* satisfy'd, in Smiles withdrew.

In boding Dreams *Mirmillo* spent the Night,
And frightful Phantoms danc'd before his Sight.
At length gay Morn smiles in the Eastern Sky,
From rising silent Graves the *Sextons* fly.
The rising Mists skud o'er the dewy Lawns,
The *Chaunter* at his early Matins yawns.
The *Violets* ope their Buds, *Cowslips* their Bells.
And *Progne* her Complaint of *Tereus* tells.
As bold *Mirmillo* the gray Dawn descries,
Arm'd *Cap-a-pe*, where Honour calls, he flies,
And finds the Legions planted at their Post;
Where *Querpo* in his Armour shone the most.
His Shield was wrought, if we may credit Fame,
By *Mulciber*, the Mayor of *Bromigham*.

A Foliage of dissembl'd *Senna* Leaves,
 Grav'd round its Brim, the wondring sight de-
 Embost upon its Field, a Battle stood
 Of *Leeches* spouting *Hemorrhoidal* Blood.
 The Artist too express the solemn state
 Of grave *Physicians* at a Consult met;
 About each Symptom how they Disagree,
 But how unanimous in case of Fee.
 And whilst one *Assassin* another plies
 With starch'd Civilities, the Patient dyes.

Beneath this Blazing Orb bright *Querpo* shone.
 Himself an *Atlas*, and his Shield a Moon.
 A Pestle for his Truncheon led the Van,
 And his high Helmet was a Close-stool pan.
 His Crest an * *Ibis*, brandishing her Beak,
 And winding in loose Folds her spiral Neck.

* *This Bird, according to the Ancients, gives it self a Clyster with its Beak.*

This, when the Young *Querpoides* beheld,
 His Face in Nurse's Breast the Boy conceal'd.
 Then peep't, and with th' effulgent Helm wou'd
 But as the Monster gap'd he'd shrink away : [play,
 Thus sometimes Joy prevail'd, and sometimes Fear;
 And Tears and Smiles alternate Passions were.

But *Fame* that whispers each profound Design,
 And tells the Consultations at the *Vine*,
 And how at Church and Bar all gape and stretch,
 If *W^{innington}* but plead, or O *neel*, preach;
 On nimble Wings to *Warwick-Lane* repairs,
 And what the Enemy intends, declares.
 Disorder'd Murmurs thro' the College pass,
 And pale Confusion glares in ev'ry Face.
 In haste a Council's call'd, th' Occasion's great,
 And quick as Thought, the summon'd Members
 [meet.

*By
Good all*

Loud *Stentor* to th' Assembly had access,
None aim'd at more, and none succeeded less.
True to Extreame, yet to 'dull Forms a Slave,
He's always dully gay, or vainly grave.
With Indignation, and a daring Air,
He paus'd a while, and thus address'd the Chair.

*Sir Thos
Millington*

Machaon, whose Experience we adore,
Great as your matchless Merits, is your Pow'r.
At your approach, the baff'd Tyrant *Death*,
Breaks his keen Shafts, and grinds his clashing
To you we leave the Conduct of the Day, [Teeth;
What you command, your Vassals must obey.
If this dread Enterprize you wou'd decline,
We'll send to Treat, and stifle the Design.
But if my Arguments had force, we'd try
To scatter our audacious Foes, or die.

What

What *Stentor* offer'd was by most approv'd;
But sev'ral Voices sev'ral Methods mov'd.
At length th'adventrous *Heroes* all agree
T'expect the Foe, and act defensively.
Into the Shop their bold *Battalions* move,
And what their Chief commands the rest approve,
Down from the *Walls* they tear the *Shelves* in haste,
Which, on their Flank, for Pallisades are plac'd.
And then, behind the Compter rang'd, they stand,
Their Front so well secur'd to obey Command.

And now the Scouts the adverse Host descry,
Blue Aprons in the Air for Colours fly:
With unresisted Force they urge their Way,
And find the Foe embattel'd in Array.
Then from their levell'd Syringes they pour
The liquid Volley of a missive Show'r.

Thus when some Storm its Chryſtal Quarry rends,
And *Jove* in rattling Showrs of *Ice* deſcends ;
Mount *Athos* ſhakes the Foreſts on his Brow,
Whiſt down his wounded Sides freſh Tor-
And Leaves and Limbs of Trees o'er ſpread

And *Querpo*, warm'd with more than mortal Rage,
Sprung thro' the Battel, *Stentor* to engage.
Fierce was the Onset, the Dispute was great,
Both cou'd not vanquish, Neither wou'd retreat.
Each Combatant his Adversary mauls
With batter'd *Bed-pans*, and stav'd *Urinals*.
But as bold *Stentor*, eager of Renown,
Design'd a fatal Stroak, he tumbl'd down ;
And whilst the Victor hov'ring o'er him stood,
With Arms extended, thus the *Suppliant* sud.
When Honour's lost, 'tis a Relief to die ;
Death's but a sure Retreat from Infamy.
But to the lost, if Pity might be shown,
Reflect on young *Querpoides* thy Son ;
Then pity mine ; for such an Infant-Grace, ;
Sports in his Eyes, and flatters in his Face.
If he was by, Compassion he'd create,
Or else lament his wretched Parent's Fate.

Thine

Thine is the Glory, and the Field is thine;
To Thee the lov'd *Dispens'ry* I resign.

The Chief at this the deadly Stroak declin'd,
And found Compassion pleading in his Mind.
But whilst He view'd with pity the Distress'd,
He spy'd * *Signetur* writ upon his Breast.
Then tow'rds the Skies He tofs'd his threat'ning
[Head,
And fir'd with mortal Indignation, said;

* *Those Members of the College that observe a late Statute, are call'd by the Apothecaries Signetur Men.*

Sooner than I'll from vow'd Revenge desist,
His Holiness shall turn a *Quietist*.
La Chaise shall with the *Jansenists* agree,
The Inquisition wink at Heresy.
Faith stand unmov'd thro' S-----s Defence, *Stillings*
And L----k for *Mystery* abandon Sense. *Lock*

With

With that, unsheathing an Incision Knife,
He offer'd at the prostrate *Stentor's* Life.
But while his Thoughts that fatal Act decree,
Apollo interpos'd in form of Fee.
The Chief great *Pæan's* golden Treffes knew,
He own'd the God, and his rais'd Arm withdrew.

Thus often at the *Temple-Stairs* I've seen
Two Tritons of a rough Athletick Mien,
Sowrly dispute some quarrel of the Flood,
With Knuckles bruis'd, and Face besmear'd in
[Blood.
But at the first appearance of a Fare
Both quit the Fray, and to their Oars repair.

The Heroe so his Enterprize recalls,
His Fist unclinchs, and the Weapon falls.

C A N T O VI.

W

 Hile the shrill clangour of the Battel
 Auspicious *Health* appear'd on *Zephir's*
 She seem'd a Cherub most divinely bright,
 More soft than Air, more gay than morning Light.
 A Charm she takes from each excelling Fair,
 And borrows *Cecill's* Shape, and *Gaeton's* Air.
 Her Eyes like *Rosalind's* their Beams dispence,
 With *Cherub's* Bloom, and *Bulkeley's* Innocence.
 From her bright Lips a vocal Musick falls,
 As to *Machaon* thus the Goddess calls.

Enough

Enough th' atchievement of your Arms you've
 [shown,
 You seek a Triumph you shou'd blush to own.
 Hast to th' *Elysian* Fields, those bless'd abodes,
 Where *Harvy* sits among the Demi-Gods.
 Consult that sacred Sage, He'll soon disclose
 The method that must terminate these woes,
 Let *Celsus* for that Enterprize prepare,
 His conduct to the Shades shall be my care.

Aghast the Heroes stood dissolv'd in fear,
 A Form so heav'nly bright They cou'd not bear,
Celsus alone unmov'd, the Sight beheld,
 The rest in pale confusion left the Field.

So when the Pigmies marshal'd on the Plains,
 Wage puny War against th' invading Cranes ;

The Poppets to their bodkin Spears repair,
 And scatter'd Feathers flutter in the Air.
 But soon as e'er th' imperial Bird of Jove
 Stoops on his founding Pinions from above,
 Among the Brakes, the Fairy Nation crowds,
 And the *Strimonian* Squadron seeks the Clouds.

And now the Delegate prepares to go
 And view the Wonders of the Realms below ;
 Then takes *Amomum* for the Golden Bough. }
 Thrice did the Goddess with her Sacred Wand
 The Pavement strike; and straight at her Com-
 [mand
 Th' obedient Surface opens, and descries
 A deep Descent that leads to nether Skies.
Goddess of Wealth
Higeia to the silent Region tends ;
 And with his Heav'nly Guide the Charge de-
 [scends.

Within

Within the Chambers of the Globe they spy
The Beds where sleeping Vegetables lie,
Till the glad Summons of a Genial Ray
Unbinds the Glebe, and calls them out to Day.
Hence *Pancies* trick themselves in various Hew,
And hence *Junquils* derive their fragrant Dew.
Hence the *Carnation*, and the bashful *Rose*
Their Virgin Blushes to the Morn disclose.
Hence Arbours are with twining Greens array'd,
T'oblige complaining Lovers with their Shade.
And hence on *Daphne's* verdant Temples grow
Immortal Wreaths, for *Phæbus* and *Nassau*.

The Insects here their lingring Trance survive:
Benumb'd they seem, and doubtful if alive.
From Winter's fury hither they repair,
And stay for milder Skies and softer Air.

Down

Down to these Cells obscener Reptils creep,
Where hateful *Nutes* and painted *Lizzards* sleep.
Where shiv'ring *Snakes* the Summer Solstice wait;
Unfurl their painted Folds, and slide in State.

Now, those profounder Regions they explore,
Where Metals ripen in vast Cakes of Oar.
Here sullen to the Sight, at large is spread
The dull unwieldy Mass of lumpish Lead.
There, glimm'ring in their dawning Beds, are seen
The more aspiring Seeds of sprightly Tin.
The Copper sparkles next in ruddy Streaks;
And in the Gloom betrays its glowing Cheeks.
The Silver then with bright and burnish'd Grace,
Youth and a blooming Lustre in its Face,
To th' Arms of those more yeilding Metals flies,
And in the Folds of their Embraces lies.

So close they cling, so stubbornly retire ;
Their Love's more violent than the Chymist's Fire.

Near These the Delegate with Wonder spies
Where living Floods of Merc'ry serpentize :
Where richest Metals their bright Beams put on,
While Silver Streams thro' Golden Channels run.
Here he observes the subterranean Cells,
Where wanton Nature sports in idle Shells.
Some *Helicoeids*, some *Conical* appear,
These, Miters emulate, Those, Turbans are :
Here Marcasites in various Figure wait,
To ripen to a true Metallick State :
Till Drops that from impending Rocks descend,
Their Substance petrifie, and Progress end.
Nigh, livid Seas of kindl'd Sulphur flow ;
And, whilst enrag'd, their Fiery Surges glow :

Convulsions in the lab'ring Mountains rise,
Which hurl their melted Vitals to the Skies.

He views with Horror next the noisy Cave ;
Where with hoarse dinn imprison'd Tempests
Where Clam'rous Hurricanes attempt their ^{[rave :}
Or, whirling in tumultuous Eddies, fight. ^{[Flight,}

And now the Goddess with her Charge descends,
Where scarce one cheerful Glimpse their Steps
Here his forsaken Seat old *Chaos* keeps ; ^{[befriends.}
And undisturb'd by Form, in Silence sleeps.
A grisly Wight, and hideous to the Eye ;
An awkward Lump of shapeless Anarchy.
With sordid Age his Features are defac'd ;
His Lands unpeopl'd, and his Countries waste.
Here Lumber, undeserving Light, is kept,
And P---p's Bill to this dark Region's swept :

Where Mushroom Libels silently retire ;
And, soon as born, with Decency expire.
Upon a Couch of *Jett* in these Abodes,
Dull *Night*, his melancholy Consort, nods.
No Ways and Means their Cabinet employ ;
But their dark Hours they waste in barren Joy.

Nigh this Recess, with Terror they survey,
Where *Death* maintains his dread tyrannick Sway ;
In the close Covert of a Cypress Grove,
Where *Goblins* frisk, and airy Spectres rove,
Yawns a dark Cave, most formidably wide ;
And there the *Monarch's* Triumphs are descry'd.
Within its dreadful Jaws those Furies wait,
Which execute the harsh Decrees of Fate.
Febris is first : The *Hagg* relentless hears
The Virgin's Sighs ; and sees the Infant's Tears.

In her parch'd Eye-balls fiery *Meteors* reign ;
And restless Ferments revel in each Vein.

Then *Hydrops* next appears amongst the *Throng* ;
Bloated, and big, she slowly sails along.
But, like a Miser, in Excess she's poor ;
And pines for Thirst amidst her wat'ry Store.

Now loathsome *Lepra*, that offensive Spright,
With foul Eruptions stain'd, offends the Sight.
She's deaf to Beauty's soft-persuading Pow'r :
Nor can bright *Hebe's* Charms her Bloom secure.

Whilst meager * *Phthisis* gives a silent Blow ;
Her Stroaks are sure ; but her Advances flow.
No loud Alarms, nor fierce Assaults are shown :
She starves the *Fortress* first ; then takes the *Town*.

Behind stood Crouds of much inferiour Name;
Too num'rous to repeat, too foul to name;
The Vassals of their Monarch's Tyranny:
Who, at his Nod, on fatal Errands fly.

Now *Celsus*, with his glorious Guide, invades
The silent Region of the fleeting shades.
Where Rocks and ruful Desarts are descry'd;
And sullen *Styx* rould down his lazy Tide.
Then shews the Ferry-man the Plant he bore,
And claims his Passage to the further Shore.
To whom the *Stygian Pilot* smiling, said,
You need no Pass-port to demand our Aid.
Physicians never linger on this Strand:
Old *Charon* ne'er refuses their Command.
Our awful Monarch and his Consort owe
To them the Peopl'ing of their Realms below.

Then in his swarthy Hand he grasp'd his Oar,
 Receiv'd his Guests aboard, and shov'd from Shoar.

Now, as the Goddeſs and her Charge prepare
 To breathe the Sweets of ſoft *Elyſian* Air;
 Upon the left they ſpy a penſive Shade,
 Who on his bended Arm had rais'd his Head:
 Pale Grief ſate heavy on his careful Look:
 To whom, not unconcern'd, thus *Celfus* ſpoke:

Tell me, Thou much afflicted Shade, why Sighs
 Burſt from your Breſt, and Torrents from your
 And who thoſe mangl'd *Manes* are, which ſhow [Eyes:
 A ſullen Satisfaction at your Woe?
 Since, ſaid the Gholt, with Pity you'll attend,
 Know, I'm *Gniacum*, once your valu'd Friend:
 And on this barren Beach in Diſcontent,
 Am doom'd to ſtay till th' angry Pow'rs relent.

Those *Spettres* seam'd with Scars that threaten
The Victims of my late ill Conduct are. [there,

They vex with endless Clamours my Repose :
This wants his Palate ; That demands his Nose :
And here they execute stern *Pluto's* Will,
To ply me ev'ry moment with a Pill.

Then *Celsus* thus : O much lamented State !
How rigid is the Sentence you relate !
Methinks I recollect your former Air, [werè !
But ah, how much you're chang'd from what you
If Mortals e'er the *Stygian* Pow'rs cou'd bend ;
Entreaties to their awful Seats I'd send.
But since no human Arts the Fates dissuade ;
Direct me how to find bless'd *Harvy's* Shade.
In vain th'unhappy Ghost still urg'd his stay ;
Then rising from the Ground, he shew'd the way.

Nigh the dull Shoar a shapeless Mountain stood,
That with a dreadful Frown survey'd the Flood.
Its fearful Brow no lively Greens put on,
No frisking Goats bound o'er the ridgy Stone.
To gain the Summit the bright Goddess try'd,
And *Celsus* follow'd, by degrees, his Guide.

Th'Ascent thus conquer'd, now They tow'r on ^{[high,}
And taste th'Indulgence of a milder Sky.
Loose *Breezes* on their airy Pinions play,
And with refreshing Sweets perfume the way.
Cold Streams thro' flow'ry Meadows gently glide;
And as They pass, their painted Banks they chide.
These blissful Plains no Blights, nor Mildews fear,
The Flow'rs ne'er fade, and Shrubs are Myrtles
[there.

The *Delegate* observes, with wondring Eyes,
 Ambrosial Dews descend, and Incense rise.
 Then hastens onward to the pensive Grove.
 The silent Mansion of disastrous Love.
 No Winds but Sighs are there, no Floods but
 [Tears,
 Each conscious Tree a Tragick Signal bears.
 Their wounded Bark records some broken Vow,
 And Willough Garlands hang on ev'ry Bough.

His Mistress here in solitude he found,
 Her down-cast Eyes fix'd on the silent Ground :
 Her Dress neglected, and unbound her Hair,
 She seem'd the mournful image of Despair,
 How lately did this celebrated *Thing*
 Blaze in the Box, and sparkle in the Ring,
 Till the Greensickness and Love's force betray'd
 To Death's remorseless Arms th' unhappy Maid.

Cold

Cold and confus'd the guilty Lover stood,
The Light forsook his Eyes, his Cheeks the Blood;
An icy horror shiver'd in his Look,
Then softly in these gentle Words, He spoke:

[care,
Tell me, dear Shade, from whence such anxious
Your Looks disorder'd and your Bosom bare?
Why thus you languish like a drooping Flow'r,
Crush'd by the weight of some unfriendly shower.
Your pale Complexion your late Conduct tell,
O that instead of Trash you'd taken Steel!
Then as he strove to clasp the fleeting *Fair*,
His empty Arms confess'd th' impassive Air.
From his Embrace the unbody'd Spectre flies,
And as she mov'd, she chid him with her Eyes.

They

They hasten now to that delightful Plain,
Where the glad *Manes* of the Bless'd remain :
Where *Harvy* gathers Simples to bestow
Immortal Youth on Heroes Shades below,
Soon as the bright *Hygeia* was in view,
The Venerable Sage her Presence knew.
Thus He——

[Pow'r,
Hail, blooming Goddess! Thou propitious
Whose Blessings Mortals next to Life implore,
Such Graces in your heav'nly Eyes appear,
That Cottages are Courts when you are there.
Mankind, as you vouchsafe to smile or frown,
Finds ease in Chains, or anguish in a Crown.
With just Resentments and Contempt you see
The mean Dissentions of the Faculty ;

How

How sick'ning Physick hangs her pensive Head,
And what was once a Science, now's a Trade,
Her Son's ne'er rifle her Mysterious Store,
But study Nature less, and Lucre more.

I shew'd of old, how vital Currents glide,
And the *Meanders* of their reflux Tide.
Then, *Willis*, why spontaneous Actions here,
And whence involuntary Motions there:
And how the Spirits by mechanick Laws,
In wild Careers, tumultuous Riots cause.
Nor wou'd our *Wharton*, *Ent*, and *Glisson* lie
In the Abyss of blind Obscurity.
But now such wondrous Searches are forborn,
And *Pæan's* Art is by Divisions torn.
Then let your *Charge* attend, and I'll explain
How Physick her lost Lustre may regain.

Haste,

L^d Chancellor Haste, and the matchless *Atticus* Address,
 From Heav'n, and great *Nassau* he has the Mace.
 Th' oppress'd to his *Asylum* still repair ;
 Arts He supports, and Learning is his care.
 He softens the harsh rigour of the Laws,
 Blunts their keen Edge, and cuts their Harpy
 [Claws ;
 And graciously he casts a pitying Eye
 On the sad state of vertuous Poverty,
 When e'er he speaks, Heav'ns ! how the list'ning'
 [Throng
 Dwells on the melting musick of his Tongue.
 His Arguments are th' Emblems of his Mien,
 Mild, but not faint, and forcing, tho' serene ;
 And when the power of Eloquence, He'd try,
 Here, Lightning strikes you, there, soft Breezes sigh.

To him you must your sickly state refer,
 Your Charter claims Him as your Visiter.

Your

Your Wounds he'll close, and love'reignly restore
Your Science to the height it had before.

Then *Nassau's* Health shall be your glorious Aim,
He shou'd be as Immortal as His Name.
Some Princes Claims from Davaftations spring,
He condescends in pity to be King :
And when, amidst his *Olives* plac'd, He stands,
And governs more by Candour than Commands :
Ev'n then not less a Heroe he appears,
Than when his *Laurel* Diadem he wears.

Wou'd but *Apollo* some great Bard inspire
With sacred veh'mence of Poetick Fire ;
To celebrate in Song that God-like Power,
Which did the labouring Universe restore ;
Fair *Albion's* Cliffs wou'd Eccho to the Strain,
And praise the Arm that Conquer'd to regain
The Earth's repose, and Empire o'er the Main.

Still

Still may th'immortal Man his Cares repeat,
To make his Blessings endless as they're great :
Whilst *Malice* and *Ingratitude* confess
They've strove for Ruin long without success.

Had some fam'd Hero of the *Latin* Blood,
Like *Julius* Great, and like *Octavius* Good,
But thus preserv'd the *Latian* Liberties,
Aspiring Columns soon had reach'd the Skies :
And whilst the Capitol with *Io's* shook,
The Statues of the Guardian Gods had spoke.

No more the Sage his Raptures cou'd pursue,
He paus'd ; and *Celsus* with his Guide withdrew.
